Mengandung

Mdm Khadijah : Hello doctor, I'm not feeling very well.

Pn Khadijah : Salam sejahtera doktor. Saya rasa kurang sihat.

Doctor : Since when did you become sick?

Doktor : Sejak bila awak sakit?

Mdm Khadijah : About 1 month ago.

Pn Khadijah : Lebih kurang sebulan.

Doctor : When did your last menstrual period begin?

Doktor : Bilakah kali terakhir awak mengalami haid?

Mdm Khadijah : I don't know. I'm not sure.

Pn Khadijah : Saya tidak tahu. Saya pun tidak pasti.

Doctor : Could you possibly be pregnant? Can we do a pregnancy test?

Doktor : Adakah mungkin awak mengandung? Bolehkah kita melakukan ujian kehamilan?

Doctor : Congratulation! You are 3 months pregnant.

Doktor : Tahniah! Awak mengandung 3 bulan

Mdm Khadijah : Really? Thank you doctor.

Pn Khadijah : Betulkah? Terima kasih doktor.
