

Day 13

Weather

Khadijah : Good morning dear, what a lovely day today!

Khadijah : Selamat pagi sayang, cuaca sungguh baik hari ini.

Ahmad : Morning. Yes dear, it's very lovely day today.

Ahmad : Selamat pagi sayang. Ya, sangat baik hari ini.

Khadijah : What do you think the weather will be like in the afternoon?

Khadijah : Rasanya bagaimana keadaan cuaca pada tengahari nanti?

Ahmad : I'm not sure. Why don't you check with the weather forecast. But I think it might be cloudy.

Ahmad : Saya tidak pasti. Cuba tengok ramalan cuaca. Tetapi saya rasa ianya akan mendung.

Khadijah : Do you think it might be raining?

Khadijah : Awak rasa ianya akan hujan?

Ahmad : Maybe. Why you asking me these questions dear?

Ahmad : Mungkin. Kenapa awak bertanya saya soalan-soalan seperti ini sayang?

Khadijah : Nothing, just try to get us into conversation. That's all.

Khadijah : Tiada apa-apa. Saja mahu mulakan perbualan. Itu sahaja.
